

CCYHA Advertisement and Sponsorship Acknowledgement

Thank you for your interest in supporting the CCYHA as we share the game of ice hockey with the midlands of South Carolina. The CCYHA aka The Columbia Cyclones are a non-profit 501c3 Youth Ice Hockey Association founded in 2006. Your contributions expand what we can offer and reduce the cost to participate.

We want to be transparent with some of the potential risks of this specific sponsorship offering. Advertising placed on ice hockey playing surfaces have an inherent risk of damage. Please review the following considerations and acknowledge your acceptance of the risks.

- Cross-ice dividing boards are part of the ice hockey playing surface. They will be subjected to impact from black and blue rubber pucks, composite sticks, skate blades and any other part of the playing equipment. It should be expected that some damage will occur during an advertising period including but not limited to scuffs, marks, cuts, and peeling. The CCYHA will attempt to prevent damage but will not be liable for repair or replacement of such items that are damaged through normal use.
- Cross-ice dividing boards are installed and removed for each session of use by coaches and parents. They are linked through round aluminum pipes on one side (and holes on the other). These pipes extend approximately 2" and have edges sharp enough to damage logos, wraps, paint, or other visual applications. The CCYHA will attempt to prevent damage but will not be liable for repair or replacement of such items that are damaged through normal use.
- Logos and advertisement must be reviewed and approved by the CCYHA prior to installing on CCYHA property.

- The ice hockey season is defined as August of the year through July of the following year. Contributions received from 12/1/2021 through 11/1/2022 will be valid through the end of the 2022 season (July 2023).

By completing and submitting this form to the CCYHA, I acknowledge the risks listed above and agree to not hold the CCYHA liable for these risks.
